Head of Nursing
Mrs J Smith

We are holding your details on a list of patients who require a minor surgical procedure that is no longer paid for by the NHS. We have waited to see if the situation would alter but unfortunately, as the attached NHS information leaflet explains, it appears not and we can no longer offer your procedure as one of our NHS services. As a result I am writing to make you aware of some of the options that you have to have the procedure completed as a private patient.

There are various local service providers who offer the procedure privately; including HBG Ltd a company that is wholly owned by the practice. They are all listed below:

Nuffield Hospital - 0800 015 5020
The Yorkshire skin clinic - 01904 7215356
Ebor Clinical Services Ltd - 01904 721878
Haxby Group (HBG Ltd) - 01904 724669

HBG Ltd sub-contracts Haxby Group Practice to allow us to offer minor surgery and cosmetic treatments privately to patients; further details are on the reverse of this letter.

You are at liberty to choose whichever provider that you feel suits your needs and this will have no bearing on the normal NHS service we provide to you as one of our registered patients.

Whilst we are writing to you I have taken the opportunity to enclose the latest practice leaflet and newsletter together with a form regarding the new patient focus group we are developing.

Yours Sincerely,

John McEvoy
Managing Partner
